## Observations... From Around Town

(BY JAY WHOZIT)

The daily commuters between the Gulf Coast and New Orleans are vigorously protesting the action of the L. & N. Railroad in attempting to discontinue the commuters' rate. . . . we heartily agree with them because it effects the commuters, many of whom budget their expenditures, to live on the Coast, particularly in Bay St. Louis and Waveland. This action if approved by the Interstate Commerce Commission, may cause us to lose quite a number of permanent residents . . . and in the final, what gains is it to the railroad in dollars and cents. Only 44 yearly tickets are issued. Mr. L. & N. we are ashamed of your miserly conduct . . . Bay Motors, Inc., local Ford dealers, will open their new building formally to the public on Tuesday, July 22nd . . . Messrs. Camors, Gex and Peranich, executive officers of Bay Motors, are to be congratulated for their foresight and their faith in the future of Bay St. Louis . . . the American Legion installed its newly elected officers on Thursday night, with Joe Colson as their new Commander, who will be assisted by a capable and competent corps of officers . . . the very important Typhus Control Campaign will get underway on July 21st and will continue until about August 15th. . . . you parents who are having trouble keeping the younger children busy these lazy vacation days can send them out to the Bay High Football field on Highway 90 and Dunbar Avenue any afternoon from 3 to 5, where Coach Bracy Smith is holding softball games for all boys from 6 to 15, quite a few have answered the call to play, but many more are needed to organize enough teams to provide proper competition, come on out, boys, you will all get a chance to play. . . . Hon. Floxie Hall was in Bay St. Louis today at 10:30 A. M., speaking in behalf of the candidacy of Gov. Fielding Wright, candidate for a full-year term, we hope you heard him discuss Gov. Wright's program for Mississippi . . . Waveland has a new Standard Oil Service Station on Coleman Avenue, owned and operated by Olo Mollers, son of Mr. and Mrs. Chas. Mollers, it's really a beauty and modern to the Nth degree, drive by and take a look-in sometime. . . . Congressman Bill Colmer is busy these days trying to get through a bill which would provide an appropriation of \$50,000.00 to study ways and means of rehabilitating the oyster reefs in Mississippi and Louisiana which were destroyed by flood waters turned into Lake Pontchartrain through the Bonnet Carré Spillway in 1945, nice going, Bill. . . . Bay St. Louis was host on Wednesday to the Annual Meeting of the Coast Electric Power Association representing the counties of Hancock, Harrison, and Pearl River, and reports are to the effect that an exceptionally large number of members attended, making the meeting one of the most successful yet held. . . . Charlie Carter and Johnny Scarfe opened their new grocery store and market on Railroad Avenue opposite the L. & N. stations on last Friday, and Johnny says that the only time he ever worked before a larger crowd was when he played for Tulane in the Rose Bowl, we hope you can continue to say that. . . . Senator Theo G. Bilbo is in a Vicksburg hospital undergoing another physical check-up and to regain his strength. . . . work on the new Baptist Church Building on Main Street is going along in full swing now, with the front part of the building now beginning to take shape. . . . the heat of the past few weeks is just about a record with the thermometer hovering constantly in the 90-100 degree bracket, with no relief in sight, according to the weather man.

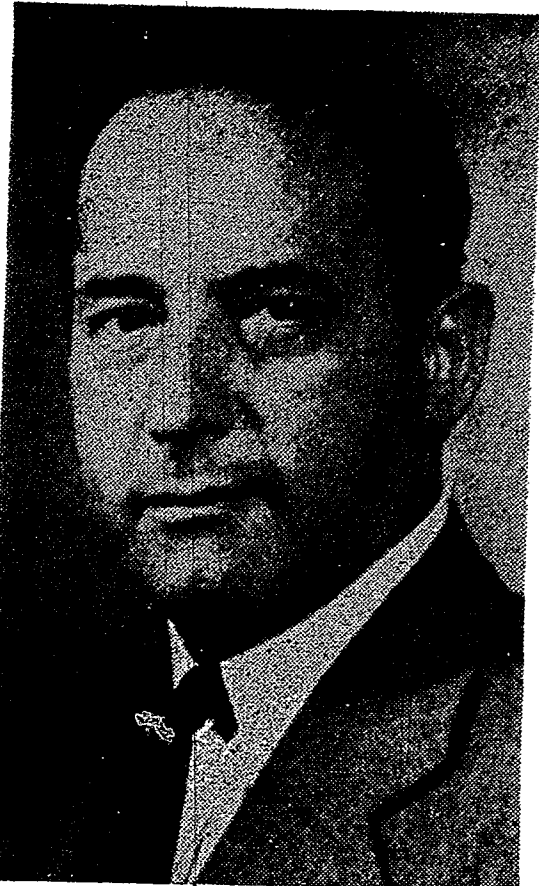

### Paul B. Johnson Addresses Voters of Hancock County

On Tuesday evening, July 15th, Paul B. Johnson, Jr., candidate for Governor of the State of Mississippi, addressed the voters of Hancock County. The speaking was held at the courthouse in the City of Bay St. Louis.

Mr. Johnson was introduced by Dan M. Russell, Attorney of Bay St. Louis, and former roommate of Mr. Johnson, at the University of Mississippi.

In addition to Mr. Johnson, the following candidates or their representatives accepted Mr. Johnson's offer to use his loud speaking equipment to present their claims before the voters: O. D. Loper and Mrs. Thomas L. Bailey, who was represented by Fred Rogers, State Tax Collector; Al Major, State Treasurer; J. M. Bryant and J. M. Tubbs, who was represented by Lones Ladner, Superintendent of Education; John D. Smith and Mundell Busby, who was represented by Glenn Russell, Highway Commissioner.

### LANDER NECAISE ANNOUNCES HIS CANDIDACY FOR REELECTION

LANDER NECAISE

The Echo is authorized to announce the candidacy of Lander Necaïse for reelection to the office of Supervisor Beat Four, Hancock County. Mr. Necaïse's statement to the voters of Beat Four follows:

I have served you as your Supervisor for twelve years and I am asking that you give me your support in the coming Democratic Primary Election to be held on August 5th, for reelection to this important office.

During the time that I have been Supervisor of Beat Four I have always tried to take care of the wants of my people. I have fought to give them good roads and I led the fight to have the road contractor release his contract, so that our roads could be properly maintained. We have rebuilt practically every road in Beat Four and the bridges have been reconstructed of material that is of a permanent type. The rains of the past year caused high waters on many of the creeks, and washed away some of the bridges in my beat. Some of these have already been rebuilt and the others are in the course of construction.

The contract for the link of road from Kiln to the Harrison County line will be let by the Mississippi Highway Department on July 29th, and when this has been completed it is planned to start the surfacing of the road from Kiln to Piquette.

I can only promise if reelected that I shall be my purpose to continue to render a service to the people of my beat and the county.

Thanking you for the many considerations that you have shown me in the past, and assuring you that I shall appreciate your support and influence in the coming election, I am,

Respectfully,  
LANDER N. NECAISE.

### Funeral Services for Rev. Cosmas Schnieder, S. V. D.

Solemn Funeral Services for Reverend Father Cosmas Schnieder, S. V. D., Pastor of Our Lady of the Rosary, Jeanerette, La., and former Treasurer of Saint Augustine Seminary, Bay St. Louis, were held at the St. Augustine Seminary Chapel at 10:00 o'clock Friday morning, July 18th.

The Divine Office was recited by the attending clergy before the Mass. A native of Germany, he was born in 1886, and in 1913 was ordained to the priesthood as a member of the Society of the Divine Word. Following his ordination he went as a Missionary to Africa. Coming to this country he filled various assignments, and shortly after the founding of the Seminary in Bay St. Louis, Father Schnieder came here to serve as Treasurer. From here he went to St. Martinsville, La., as Pastor of Our Lady of Perpetual Help, and then to Jeanerette.

He was found dead in his bed. Death having come to him in his sleep, as a result of a heart attack.

Interment was in the Cemetery of St. Augustine located on the Seminary grounds.

### Hey Kids! "Wanna Play Softball?"

We are having a big baseball game every afternoon from 3 to 5 in front of the Gilmore Motor Co. on Highway 90 and need about 25 more fellows out. If you are seven and not over fifteen, come on down, and if you don't know how to play, but if you don't we will teach you.

Coach Bracy Smith is manager and umpire and there are two other men who help him, so your mother and dad don't have to worry a bit.

By the way, we play Gulfport a regular game this week end and we need all you fellows from Waveland and all the schools in Bay St. Louis to help us beat them.

### BAY-WAVELAND GARDEN CLUB'S JULY MEETING

At the Bay-Waveland Garden Club's July meeting the club decided to sponsor a Hancock County boy to the Conservation School, as has been their custom for the past several years. The boy will be selected through the office of C. C. Stone, County Agent, and will be a 4-H Club boy.

Mrs. G. F. Stevenson and Mrs. H. C. Glover submitted the list of hostesses for the year and this was accepted by the club.

Among the several matters of civic interest to come up for discussion was that of a wayside park which the club will take over as their project if a site can be secured. Mrs. Leo Seal, Mrs. T. T. Robin and Mrs. M. A. Gilmore were named as a committee to look into the matter of a site and find out the ways and means of securing the site for use by the club.

Mrs. E. P. Kirkpatrick, Mrs. Oliver Radford and Mrs. Kieth Crieghton were named as a committee to appear before the Chamber of Commerce at its meeting on Thursday night and join forces with the C. of C. in opposing the proposed discontinuance of commuters' tickets to the coast by the L. & N. Railroad. Mrs. Stevenson and Mrs. C. A. Breath were instructed to send telegrams to the Interstate Commerce, the Mississippi public service commission and to Congressman Colmer.

Mrs. H. A. Oxenham gave a demonstration of an arrangement of Caladium leaves with bayrus as a tall center. Mrs. Oxenham explained that often flowers were not available from your own garden and leaves could be used effectively. Her arrangement was entered with the other arrangements entered by club members. The blue ribbons were awarded to Mrs. Oxenham, first; Mrs. L. T. Boyd, second; Mrs. J. A. Evans, third, for her arrangement of zinnias.

### Attend Meeting of Miss. Coast Council of Chambers of Commerce

Dan M. Russell, Jr., O. W. Delph and H. S. Sumrall attended a dinner for the Mississippi Coast Council of Chambers of Commerce at Biloxi on Wednesday evening with the Biloxi C. of C. as hosts.

Up for discussion was the proposition that the council endorse a proposed plan for making a shrine of memorial of the Beauvoir home at a cost of approximately \$10,000. The council is to raise funds for the staging of a banquet for approximately 400 business men of the United States for the formation of plans to finance the project.

Mr. Russell as president of the Hancock County Chamber of Commerce and as vice president of the coast council invited the council to be guests of the local Chamber of Commerce at its next meeting in September.

### BAY MOTORS, INC. TO HAVE FORMAL OPENING, JULY 22ND.

Bay Motors Incorporated, Ford Dealers for this area will have their formal opening on Tuesday, July 22nd. Their new home on Court Street has just been completed, and is a credit to Bay St. Louis.

Since its incorporation in 1941, the company has had quarters at Arcejaux Super Service Station, and when the opportunity presented itself to secure the necessary materials the young men who are the officials of this corporation proceeded to build their new home.

The President of Bay Motors is Robert L. Camors, a graduate of St. Stanislaus and of Sewanee, who during the war entered the service of his country in the Coast Guard as a seaman and retired as a lieutenant commander. Mr. Camors in addition to his interest in the Bay Motors, owns the Port Allen Lumber Company, Port Allen, La.

The Vice President and General Manager is Fred J. (Fritz) Peranich, who has sold Ford Automobiles during the period of time that he has been in the business world which dates back to 1920, when he was employed by Edwards Motor Company, Ford Dealers, at Gulfport, as a salesman. In 1927 he became a salesman for Barksdale Motors, Ford Dealers, at Pass Christian, and remained in their employ until 1936, at which time he became an associate Ford Dealer in this territory with Menger Motor Company of Gulfport, and in 1941 he was offered the dealership in this area and became associated with Messrs. Camors and Gex in this enterprise.

Mr. W. J. Gex, Jr., is Secretary-Treasurer of the Company. Mr. Gex is a prominent young business man and an attorney of Bay St. Louis, who is also Executive Vice President of the Merchants Bank and Trust Company.

Their plant is equipped with the latest type of automotive equipment, and will be under the direction of Roland Tallac as service manager, with Thomas Karl as parts manager. Mrs. Mary Elizabeth Garriga will be the bookkeeper for the firm. Their mechanics will be thoroughly schooled by the Ford Motor Company and will be specialists in their line.

The trade area for this agency is all of Hancock County, Pass Christian, DeLisle and Pineville. Their Service Station will serve Standard Oil Products.

### Intermediate Swimmers Complete Course

The following members of the intermediate swimmers class, under the instruction of Mrs. L. A. Rogers, Red Cross swimming instructor, completed the course on July 5, 1947: Anthony Benigno, Louis Fernandez, Bill Whitfield, Catherine Benigno, Carmelo Fernandez, Jean Fernandez, Donald Crasto, Linda Breath, Honorine Damborino, Sandra Scaffidi, June Breath, Torres Lebrun.

### Norman Hall Named To Coaching Staff of Pearl River Junior College

NORMAN B. HALL, JR.

President R. D. McLendon of Pearl River Junior College, has announced the appointment of Norman B. Hall, Jr., of Waveland to the coaching staff of that institution.

Norman attended high school in Sweetwater, Texas where he played football for four years, and during his senior year he was a team mate of Sammy Baugh. Following his graduation from high school he entered Tulane University where he participated in all major sports and was co-captain of the 1937 football team.

Upon graduation from Tulane he signed to play professional football with the Chicago Cardinals. During the war he volunteered with the Navy and prior to going overseas for duty in the Pacific he served as a chief specialist, training recruits at Bainbridge, Md. Later he was sent to Southwestern University, Georgetown, Texas, where he was in charge of athletics in connection with the Navy's V-12 program. He coached boxing and assisted in coaching the football team which won the Sun Bowl Trophy for two consecutive years.

At the college he will probably coach the line and will direct other sports.

He is married to the former Miss Gergette Brockman of Waveland, where they are living.

### Soil Conservation District Commissioners To Meet

The second Annual Summer Meeting of the State Association of Soil Conservation District Commissioners will be held on July 22 and 23 at Red Cross swimming instructor, Paul D. Measelle presiding.

Several interesting features are being offered on the program, a tour of conservation work and addresses by M. P. Moore, district commissioner of Tate County and C. B. Anderson, State Conservationist of Jackson; W. C. Lassiter, editor of Progressive Farmer, Memphis, Tenn.

### WILMER'S GROCERY AND MARKET RENOVATED

The story that Wilmer Thibaux, one of our young business men of Bay St. Louis, loves to tell is that he opened his grocery business on a Saturday morning in 1941 with \$300.00 worth of stock and that at the close of business that night he had sold \$280.00 worth of merchandise and that before he could open his doors on Monday morning it was necessary for him to go to the wholesale merchant from whom he bought his first supply and get some more groceries.

This certainly was an incentive to the young man from the Teche Country in Louisiana, who had come to Bay St. Louis in 1932 as a mere boy to work for Henry Meyer, who was then operating Meyers Cash Grocery, and remaining in his employ until 1937. From 1937 to 1941

he was employed in the Smith Grocery on Main Street near Dunbar Avenue, and during this period of time he married Miss Elma Little of Bay St. Louis, who has constantly worked with her husband in their business which they started on what we might call a shoe string capital.

When they first started in business they rented the building which they occupy and have since purchased it.

In April of this year Wilmer completely renovated his building, enlarging his store and making it more attractive as a shopping center for the housewife. His store is equipped with modern cooler boxes and at this writing we understand that he is preparing to install a cooler and display case for his vegetables. He offers to his customers a complete line of staple and fancy groceries—choice Western meats and fresh vegetables.

At the present time in addition to himself and his wife he has three employees in his store. The meat market is managed by Thomas Lebrun, who has had many years of experience in this line.

That Mr. Thibaux is held in high esteem by his associates is attested by the fact that he was recently elected and installed as Grand Knight of Pere LeDuc Council of the Knights of Columbus for the coming year. He is a member of the Rotary Club and the Chamber of Commerce and is ever ready to lend his efforts to aid in the development of his adopted City and County.

## Coast Electric Power Association Held Annual Meeting, July 16

Directors Reelected Unanimously—By-Laws Amended—Capital Credits Plan Adopted—Prizes Awarded Members—Reports of Officers Reflect Sound Condition.

The Coast Electric Power Association held its annual meeting at the Bay High School Auditorium on Wednesday, July 16th, with 640 members represented at the meeting, 339 being present in person. The meeting was called to order by R. L. Genin, as temporary chairman, who was then named permanent Chairman of the meeting, with Cliff Ferrell as Secretary.

C. W. Fountain of Logtown, who has been President of the Association during the 9 years of its existence, was absent due to illness. This being the first meeting at which he has not been present. His regrets were expressed by Mr. Genin. The report of the Treasurer was read by the Secretary, and this report shows a sound and healthy financial condition. Mr. Ferrell gave his report as manager of the association, and showed that the average amount of power used by the members during 1946 was \$3.98 per member per month. Of the revenue received by each dollar received, 22 cents was for wholesale power, 14 cents for operating and maintenance of lines, 19 cents for other operating expenses, 14 cents for depreciation reserve, 7 cents for interest and 24 cents credited to surplus and patronage capital. According to Mr. Ferrell's report the Association began operation in 1938 with 496 members and 205 miles of lines, at the close of the year 1946 it had 2889 members with 871 miles of lines, and today its membership exceeds 3200 with 1021 miles of lines. The revenue in 1942 was \$67,362.00, with expenses amounting to \$47,730.00 and 1946 the revenue amounted to \$128,505.00 with expenses amounting to \$97,295.00.

E. H. Stovall, Safety Director for the R. E. A. Co-ops in Mississippi, discussed safety methods that should be employed in the handling of electrical current. He stated that many people felt that there was very little danger in 110 volts, but that the majority of the deaths by electrical current was caused by proper precautions not being taken in the handling of this amount of voltage, and through improper installations. He urged the members that in the event any trouble arose in their installations that they call the manager and have an experienced man take care of their troubles.

H. Hardin Shattuck, of the management division of the R. E. A., made a short talk at the meeting. He urged the members to convince themselves that the Association was theirs, and that the Coast Electric Power Association stood at the top of the list in financial and business management of the 24 cooperative power associations in Mississippi. At the conclusion of Mr. Shattuck's talk, the chairman submitted to the membership the names of the 11 directors who were named by the nominating committee and these men were to wit:

Aden S. Bellew, W. H. Burks, James L. Crump, C. W. Fountain, Isaac M. Frierson, Susan S. Ladner, P. J. Morris, George B. Pearson, W. F. Pearson, John S. Rester, Weldon Shaw who were unanimously reelected Directors of the Association for the coming year. An amendment to the by-laws was submitted which provided for the increase of the Board membership to 15, in order to give Harrison and Pearl River County, equal representation on the Board of Directors, and this amendment (Continued on page Ten)

### Rhodes Defeats Loicano; Wilmer's Defeats Tourne in Softball League

On Sunday, July 13, at Morreale Park on Highway 90, Rhodes Hauling defeated Loicano's Grocery by a score of 5 to 4 in the 3rd game of the newly formed softball league. Loicano's Grocerymen led up to the 7th inning by a score of 4 to 1, when 4 hits by Garriga, Haas, Byrd and Moran and two base on balls, along with an error pushed over 4 runs to win the game for Rhodes.

In Sunday's second game, Wilmer's lost by a score of 5 to 0 until the 5th inning when Tourne youngsters pushed over 3 runs and afterwards neither team was able to score in the 7th, necessitating an extra inning in which Wilmer's scored 1 run to finish in the lead.

Games for Sunday, July 20 at 3 p. m. are: Magnolia State Supply vs. Loicano and Rhodes General Hauling vs. Tourne's Auto Parts.

### Hancock County Law Enforcement League Submits Questions To Candidates

The Hancock County Law Enforcement Association has invited the candidates for sheriff, constable, and justice of the peace to answer six questions regarding their attitudes toward enforcement of the law. The Association advises that also they are not endorsing any particular candidate they feel that the published answers to these questions will help voters to make up their minds.

The questions submitted to the candidates follow: (1) Do you want a county where lawlessness is on the increase because of open violation of our state laws? (2) As lawlessness increases the hazards of rearing children and causes property values to decline, do you think that Hancock County should encourage the best type of citizens to locate here by enforcing our laws against liquor and gambling? (3) Do you believe that it is possible to maintain respect for law and law-enforcement officers while winking at or permitting flagrant violation of certain laws? (4) Do you believe that citizens of any county have the privilege of choosing which laws they will obey and which they will disregard? (5) Section 2047 of Mississippi Code of 1942 makes it "the duty of all law-enforcing officers to seize and immediately destroy all such (gambling) machines and devices." Will you do this if elected? (6) If elected, will you enforce the liquor laws of Mississippi impartially, and impersonally?

Following in alphabetical order are the first fifty signers of the petition.

Peter Edward Anderson, Mr. and Mrs. David W. Baker, Mr. and Mrs. John L. Baker, Miss Vivian Irene Baker, Mrs. E. Courge, Mrs. Eugene Davis, Rev. John T. Deering, Jr., Mr. and Mrs. Paul V. ### Traveling Passenger Agent For L. & N. Meets With Bay-Waveland Garden Club

Clarke L. Shumaker, traveling passenger agent for the Louisville & Nashville Railroad, met with the Bay-Waveland Garden Club here on Wednesday afternoon at a called meeting to give them the information they were asking for relative to the discontinuance of commuters rates to the coast.

Mr. Shumaker said that the railroad is issuing a ten, twenty and thirty trip book each at the .0135 cents per mile; a 62 trip book at .0068, and a school book at .0058. Unexpired books of this type will be credited on the purchase of a new book after August 1. Over a period of time extending from January to August, 1946, Mr. Shumaker said the railroad had sold to coast passengers, 1,538 ten trip books, 38 twenty trip, 134 thirty trip, 63 sixty-two trip, 57 school, 33 three month, 2 four month, 19 six month and 44 yearly trip books. The group asked for figures on just how many general travelers had traveled the coast area during this period of time because of the fact that the head of the family was a commuter and lived on the coast because he had the privilege of commuter's rates. This information would be forthcoming, he said.

Mr. Shumaker stated that he had been instructed to give the group a "no" answer in the matter. The club informed him that further steps would be taken with the Interstate Commerce Com. They had previously taken action through telegrams to the proper bureaus and officials at Washington.

## Actions Speak Louder Than Words

### Ed. P. Ortte Makes Statement To The Voters, Especially Those Of Beat 5

Several months ago we were suddenly confronted with a cattle plague. Dead and dying cattle could be seen beside the roadways and in the woods. From the section of the Jackson House to Lake Shore 15 cows were dead along the beach front, this condition also existed through Ansley and some other sections of the county. I made an immediate investigation and found that the condition was due to a certain type of LICE that was infesting our cattle. The death rate was increasing rapidly. The cattle owners became very worried and it was essential that the cattle be run through dipping vats immediately.

The complications were that there were no dipping vats and the reasons there was none, as I understand, some years ago cattle owners and the Board by mutual agreement, agreed to discontinue the use of same. The Board of Supervisors would not meet for about 8 days, to wait and discuss this matter at that time would have proven fatal to the diseased cattle, so I immediately ordered the building of a dipping vat at the risk of paying for same myself should the Board refuse to accept this burden.

We selected a suitable location and went to work at once with a large crew, in three days the dipping vat was completed and on the fourth and fifth day which was a Saturday and Sunday more than 300 head of cattle were run through this dipping vat and more at other times. The rate of deaths decreased immediately then practically altogether. No one will ever know how many cattle were saved through this quick action, and from a sanitary standpoint the value of stopping the spread of these insects and disease.

I am glad to say my actions met with the approval of the Board. With the consent of Supervisor Murphy I had my men build another dipping vat in his Beat. These two vats have well taken care of the cattle in this area.

This is just a reminder of the little quick action that brought results.

As a gesture from the comic side, I might hint, "That one of my Opponents Might Be Big and Brave Enough To Accuse The Board of Supervisors Of Wilfully Distributing These Insects Through The County," so he might ask, "HOW MANY LICE does It Take to Kill a Cow?"

I might say for the benefit of the general public and cattle owners that in an attempt to keep the cattle ranged where they would not be destructive to the home gardens, lawns, etc., and to keep them off the roads as much as possible I built 14 cattle guards for the above purpose, however, to make this a thorough job we find it necessary to build additional guards, same will be completed in the very near future.

Yours for a better county and a happier place to live.

Sincerely,

ED. P. ORTTE

"Service with a Smile"

Motorists are mighty glad to patronize Ed's Service Station. The driveway's always clean, the pumps kept nicely painted, and the office and rest rooms neat and spotless. And Ed himself is "Service with a Smile."

It's not only Ed's idea. The company that supplies Ed's oil and gasoline insists on certain standards—not just in the upkeep of the station, but in the courteous service that Ed renders.

It's like the brewer's program of Self-Regulation. Through bulletins,

meetings and personal visits, the brewers encourage retailers of beer to maintain clean, law-abiding places. Those that don't too the line are reported to the authorities.

From where I sit, it's just common business sense to see that the product which you sell is handled by responsible, courteous people through attractive outlets. It wins the good will and the gratitude of the community.

## ORTE THEATRE SUNDAY - MONDAY "THE SEA OF GRASS"

With Spencer Tracy, Katherine Hepburn, Robert Walker, Melvyn Douglas

Magnificently photographed and beautifully enacted by a cast which includes Spencer Tracy, Katherine Hepburn, Robert Walker and Melvyn Douglas, M-G-M's "The Sea of Grass" comes to the Orthe Theatre screen as one of the year's most distinguished dramatic hits.

Based on Conrad Richter's widely read novel of the great land rush into New Mexico at the turn of the century, the story centers on Col. Jim Brewton, pioneer cattle baron who has given his life's blood to open up the cattle country and who is determined to keep out the on-surgling homesteaders who will destroy his beloved "sea of grass." His implacable enemy is Brice Chamberlain, altruistic lawyer who represents the claims of the home seekers.

Col. Brewton has little trouble in fighting the lawyer, but is when he brings back a bride from St. Louis, the beautiful and spirited Lutie is won over to the cause of the homesteaders. Their marriage is a failure and Lutie, swayed by the love of Chamberlain, leaves Brewton and her two children. It is only when the children are grown; when the son, Brock, is killed by a posse after a gambling murder, and Brewton has finally lost his cause, that Lutie returns to him.

Spencer Tracy, in his first screen appearance in almost two years, makes a welcome return as Col. Brewton.

Katherine Hepburn is tremendously appealing as the wife who finds the "sea of grass" her most dangerous rival; Robert Walker is excellent as the gambling Brock, and Melvyn Douglas completes the cast of stars with a persuasive portrayal of the embattled lawyer.

The stars are given first support by a large cast which includes Phyllis Thaxter, Edgar Buchanan, Harry Carey, Ruth Nelson, Wm. "Bill" Phillips and Robert Armstrong. Elia Kazan, who directed the memorable "A Tree Grows in Brooklyn," can chalk up another success with "The Sea of Grass." It is outstanding screen entertainment.

**Consumer Specialist  
Addresses Group**  
Miss Eva Legett, Consumer Educa-  
tion Specialist, addressed a group  
of Bay St. Louis women at Bay High  
auditorium on Tuesday afternoon of  
last week on buying of materials,  
quality and prices from the stand-  
point of the consumer.

Miss Legett, brought out the  
"smart points" of buying and said  
that attention is being paid by man-  
ufacturers and merchants of find-  
ing just what women want in the  
way of material, cost, quality, style,  
color in women's apparel. Mass  
requests said the speaker is the sur-  
est way to bring down prices. Wom-  
en, watch for labels," said Miss  
Legett. Be sure she continued that  
the material is labeled and that you  
know what you are buying.

She encouraged women not to cash  
in bonds just to buy clothing with  
the premonition that there will be  
a scarcity. Wait and you will get  
just what you want.

During the war she said when peo-  
ple had more money to spend the  
dresses were short but when money  
is less the dresses dropped in  
length. Watch for these signs, she  
said.

# Facts & Figures

## Are What The Taxpayers

## Are Interested In

My Friends, Taxpayers and Voters:

Please do not misunderstand me in refreshing your memory in regard to Facts and Figures of what has happened in the past. You know as well as I do that the Board of Supervisors has followed the Political regime.

I believe that every member on the Board is my friend. I am only trying to show you how inefficient a Political Administration operates.

They have come before you in the past for re-election and asked for another chance to do better—you gave them this chance—Have they done any better? Check the records and you will find the answer. I have no ill feelings against any member of the Board. They have done their best. But have they invested your money wisely? Can they show you something constructive that they have done?

Let's all think this over very carefully. If this County is good enough to live in then it is good enough for you to fight for the way it should be operated.

The Hon. Board has authorized the increase of labor payrolls. Since the first of the year it has increased, to now nearly \$7000.00 for labor in Beat 5.

The Board also authorized the purchase of approximately \$7500.00 worth of concrete pipes in the past several months for Beat 5 and now at this point I want to ask the Hon. Board of Supervisors, on what road were these concrete pipes used? This is the taxpayer's money that you are spending and they are entitled to know where and why.

My friends when I say that we have a political administration I mean just that. Just before election we find the Board of Supervisors spending your money very freely—Why?

The Board of Supervisors is just what the word implies; they are to supervise the affairs of this County. If each one was as good a board member as he claims to be, then the County would not be in the condition that it is in. There would not have been any Hancock County scandals, not so much bond refunding and some of the bonds would have been paid off. They could have seen that the County got its just return on the Gas Tax and could have stopped the tremendous waste on the up keep on roads and the Court House in general. One has but to look at the expenditures as published to realize the waste and inefficiency that has been going on.

If you are a good Citizen and Taxpayer and want to correct this condition do so on August 5, 1947 or forever hold your tongue.

Vote on August 5, 1947 for—

### E. J. (Ed.) ARCENEUX

Candidate for Board of Supervisors, Beat 5.

### Moise Ladner, 86 Years Of Age, Dies at Pass Christian

Moise Ladner, 86 year old Hancock County citizen, died at the home of his daughter, Mrs. Evelyn Ladner at Pass Christian on Tuesday, July 1, at 5:45 p. m. Funeral was held from Mrs. Ladner's home on Thursday, July 3 with service at St. Paul's Catholic church at 2 p. m., with the rites of the Catholic church, the Rev. John T. ## HARRY SUMRALL

Sheriff and Tax Collector

HANCOCK COUNTY

MISSISSIPPI

In announcing my candidacy for Sheriff and Tax Collector of Hancock County, Miss., I pledged myself to fight Machine Politics, and in so doing I realize full well that I am pledging myself to kill and destroy a monster, no I mean a rodent, that has been sneaking into our public offices in the dark. That has been gnawing at our very hearts. That has been destroying as nearly as possible all the good and decent principles of the occupants of these public offices and thereby growing to monstrous size and becoming more vicious and dangerous daily.

I also realize that in its dying stages and its death struggle this rodent will become extremely ugly and vicious; that running true to its nature it will say vile things about good people, make cowardly threats and attacks, buy and sell votes, if possible; steal votes and make promises that are lies to perfection. It will try to beg sympathy from good people, try to revive friendship that has been destroyed by its cowardly and dictatorial actions since last election. It will never come out of its hole to fight openly and above board, but will fight cowardly by night through whispering and insinuations made through the tongues of misguided but enslaved people.

However this knowledge only strengthens my determination to fight this force of corruptness and destruction as I know we all must or forever submit ourselves to this kind of gangsterism. I am of the opinion that these statements will serve to notify Mr. Rat that I have absolutely no respect for him, his moral standards, his mental ability, his political strength, his intestinal fortitude, or strength of character to fight a decent political battle. I know it will start him to gnawing more vigorously and in a more contemptible manner than ever, as soon as it is dark and I am just as positive that all good people will use their vote to completely, and totally destroy this rodent and also guard against a resumption of his life's work by any of his breed.

(Submitted to and approved by H. L. Sumrall)

### \$89,000.00 Contributed By 64 Counties to Fight Cancer

More than 12,000 people in Mississippi are suffering from cancer, according to estimates based on reports submitted to the Board of Directors of the American Cancer Society at its meeting June 27 in Jackson. The Mississippi Division receives about 85 to 90 applications each month from physicians for cancer cases unable to pay for treatment and this number is steadily increasing due to increased knowledge about cancer and the facilities available for treatment. For these cases the State Board of Health and the American Cancer Society provide funds to pay for X-rays, radium, surgery and hospitalization as needed. All cases cared for are referred by local physicians and are treated in hospitals approved by the American College of Surgeons. This means that patients are given adequate and proper treatment in hospitals equipped to provide such treatment. During the past year 556 patients from 77 counties in the state were given treatment through the cancer control program.

Dr. Felix J. Underwood, State Campaign Chairman, reported that \$89,000.00 had been contributed from the 64 counties in which campaign statistics had been completed. It is hoped, he stated, that when all counties have sent in reports the goal of \$100,000 set for this year will be reached.

### CELEBRATES 10TH BIRTHDAY

June Tartavouille celebrated her tenth birthday and her brother Peter celebrated his third birthday at their home on Sunday, July 13. There were two birthday cakes and they each cut their cake.

Children attending were Joan Tartavouille, Margie Garcia, Peggy Garcia, Peggy Favre, Patsy Ruth Favre, John Choina, Ronny Choina, Marlene Favre, Azelle Favre, Ellen Choina, Brinda Favre, Ida Schwartz, Linda Schwartz, Clark Favre, and Dede Garcia.

### Retreat of 21 Days Starts At St. Stanislaus Saturday, July 19.

The following Brothers from the North arrived at Saint Stanislaus bus to make their annual retreat: Brother Briant, Colin and Cyr from St. Willibrod's High, Montreal, Canada; Brothers Foster and Simon, St. Rose of Lima, Brooklyn, New York; Brother Fidelis, from St. Luke's, New York City, and Brother Andrew, Coindre Hall, Huntington, New York.

Driving the bus were Brother Roy, Catholic High, Baton Rouge, and Brother Jules, St. Stanislaus.

The St. Stanislaus bus had gone to Washington, to bring several Brothers to attend Catholic University, and others to New York to attend Fordham. On its return it brought back those to make the 21 day retreat.

Camp Stanislaus ends Saturday, July 19th, at eleven o'clock with the awarding of the medals and trophies. The boys from Baton Rouge will return in the Catholic High School bus leaving Bay St. Louis at one o'clock.

### Womans Missionary Society Meets

The Womans Missionary Society met on Tuesday afternoon at the home of Mrs. R. D. Robbins with Mrs. T. B. Sellers president presiding.

Mrs. John T. Dearing was in charge of the program and the devotional was led by Mrs. Losch. The topic

for study was the Chinese and was discussed by Mrs. Dearing, Mrs. H. B. Duckworth, Mrs. H. A. Gregory and Mrs. Claude Broach who gave some very interesting information on the Rachel Shims Mission in New Orleans.

Mrs. Robbins served delicious refreshments and a social hour was enjoyed. Visitors were Mrs. Claude Broach, Mrs. H. Schaffertotter.

### BARBECUE SUPPER

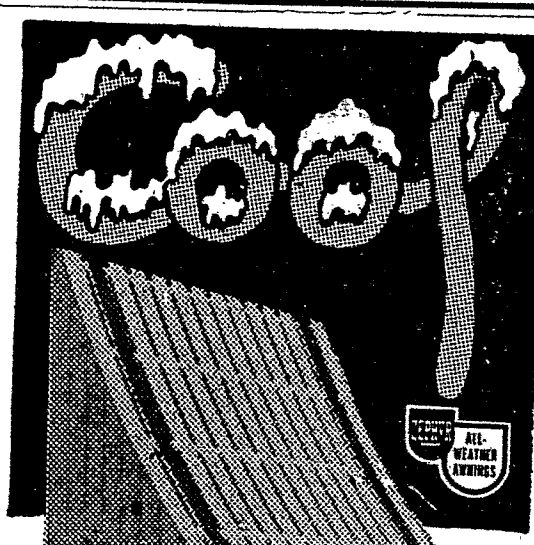

Dr. and Mrs. J. A. Evans entertained the members of the Gulf Coast Dental Association and their wives at their home on Monday evening at a barbecue supper. There were forty present.

Following the supper the regular business session of the association was held and a movie film on Amalgam fillings were shown. The association of which Dr. Evans is president embraces Hancock, Harrison and Jackson Counties.

### TUESDAY BRIDGE CLUB

Mrs. Shelby Tucker entertained the members of the Tuesday Bridge Club at a luncheon at her home on Saturday, July 12 complimentary to Mrs. Edwin Gross of Gadsden, Alabama, who was visiting her brother-in-law and sister Mr. and Mrs. J. R. Shadoin.

The luncheon table was centered with a silver bowl filled with red roses and following the luncheon bridge was enjoyed.

### ZEPHYR VENTILATING AWNINGS

Cool your home up to 12° on hot summer days. Zephyr's patented ventilating feature sets up a forced draft circulation that draws hot air out of the room and replaces it with cool air from outside. Light and air are softly filtered through overlapping layers of non-conducting wood... heat and glare are reflected.

Custom-made of select durable woods, in a wide variety of colors, trims, and shapes—to match and enhance any style of architecture. Beautiful, permanent Zephyr awnings add to the charm and comfort of any home, at moderate cost.

### AL MAJOR CANDIDATE FOR STATE TREASURER

OVERSEAS VETERAN  
WORLD WAR I and WORLD WAR II

To: The Democratic voters of the State of Mississippi:

Dear Friends:

I wish to announce my candidacy to serve as your State Treasurer. After an absence of almost five years in the service, I have only recently returned to my home state. In fact, I only took off my uniform about thirty days ago. In 1939 when I made my first campaign to serve as your State Treasurer, you gave me a wonderful vote of confidence for which I am deeply grateful.

In 1943 while I was on active duty in the Armed Forces and serving outside my home State, I received an even greater vote endorsing my candidacy to be your State Treasurer, for which I wish to thank my friends and supporters who carried on for me during my absence.

For seventeen years I have covered the entire State of Mississippi as a traveling salesman, having grown to know people in every County and all walks of life, during this time I have successfully handled hundreds of thousands of dollars for my customers and employers. I believe you want a successful business man as your next State Treasurer. I am forty-seven years old, married and have one child. I am active in religious, fraternal, civic and veterans organizations.

I earnestly solicit your vote and active support of my candidacy to serve as your State Treasurer.

Respectfully Submitted—AL MAJOR

## Ed. Ortte Reports Rehabilitation Bill Passes House.

For the benefit of Hancock County citizens particularly the Fishermen and Oystermen. You will remember when I went to Washington last year in protest of the destruction of the Mississippi Oyster beds and in hopes of securing financial aid from the government for the rehabilitating of these destroyed Oyster beds. Following is a telegram from Congressman Colmer which is self explanatory.

Ed. Ortte Washington, D. C., July 7, 1947.

Very much gratified to report that house just passed Colmer-Domengeaux Bill authorizing appropriation fifty thousand Dollars for study of destruction of oyster beds along Mississippi and Louisiana Coast. And to determine best methods adaptable to rehabilitation replanting and maintenance thereof together with such sums that may be determined to be necessary to rehabilitate replant and maintain beds. Have contacted Senator Eastland to insure its passage in the Senate.

BILL COLMER, M. C.

In a telephone conversation with Congressman Colmer Monday he informed me that this bill also covers a minimum of \$3,000,000.00 and more if necessary will be used to rehabilitate, replant and maintain beds.

**ORTTE THEATRE**  
WED. - THURSDAY  
"THE JOLSON STORY"Brought Back By Popular  
Demand—Starring Larry  
Parks—Evelyn Keyes

Columbia Pictures' "The Jolson Story," enriched with Technicolor magic and told in the melodies that all of us have always loved, "will be at the Ortte Theatre Wednesday and Thursday featuring Larry Parks, Evelyn Keyes, William Demarest and Bill Goodwin.

Based on the music, the magic and the times of America's greatest entertainer, "The Jolson Story" is described as a glowing calvacade of this country's show business. Any such story would have to be told largely in songs, and the new film is said to contain close to a record number of hit tunes for any one picture.

The list is indeed an imposing one. Included are "California Here I Come," "Swanee," "Waiting For The Robert E. Lee," "April Showers," "I Want a Girl," "Goodbye My Bluebell," "There's a Rainbow Round My Shoulder," "Liza," "Rick-A-Bye Your Baby" and "By The Light of the Silvery Moon." Larry Parks portrays Jolson in the film and has been proclaimed as sensation of the season because of his remarkable performance.

**MARRIED SATURDAY, JULY 5**

A very pretty wedding, though small, was that of Miss Ella Favre, daughter of Mr. and Mrs. Jules Favre of Waveland and Mr. Chas. Jensen, of Waveland, who were married on Saturday, July 5th in the afternoon at 2:30 o'clock in Christ Episcopal Church, the Rev. Clark, rector of Trinity Episcopal Church, Pass Christian, officiating. The bride who was given in marriage by her brother Mr. Milton Favre, wore a sport dress of pink faille with Navy blue hat and accessories of gold. She wore an orchid corsage, and had as her matron of honor and her only attendant her sister-in-law Mrs. Lawrence Favre, who wore a dress of green sheer and carried pink roses. Mr. Jensen had as his best man Mr. Lawrence Favre.

The church was decorated with white gladioli and Mrs. C. L. Horton played "O Perfect Love" as pre-nuptial music and the Bridal Chorus from Lohengrin and Mendelssohn's wedding march for the processional and recessional.

A reception was held at the home of Mr. and Mrs. Lawrence Favre where the bride, assisted by the bridegroom cut the four-tiered wedding cake. The house was bright with arrangements of summer flowers.

The couple left later for a trip and upon their return they will be at home in New Orleans.

The bride is a graduate of Bay High and of Perkinson Junior College.

The bridegroom served with the rank of Sergeant in the U. S. Army and was stationed in Alaska the greater part of the war period. He is now completing his college course in accounting.

**RECENT WEDDING OF INTEREST**

The recent wedding of Miss Nathalie Buehler, daughter of Mrs. J. O. Buehler and Mr. James A. Ryan, son of Mr. and Mrs. John J. Ryan, both of this city, took place on Sunday, June 15th at Our Lady of the Gulf Church at a Nuptial Mass with Msgr. A. J. Gmelch, officiating.

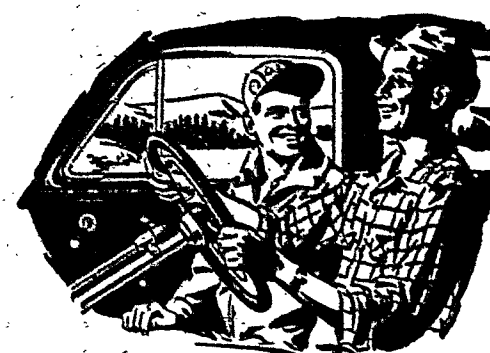

The bride was given in marriage by her cousin Mr. Chas. Durenlot of New Orleans. She was dressed in a white cashmere suit with matching accessories. She wore a lovely orchid shoulder corsage and carried a rosary.

The bridesmaid, Miss Audrey Durenlot (only attendant) wore a powder blue cashmere suit with accessories to match and a shoulder corsage of gardenias. Mr. Ryan had as his best man, Mr. Otto Buehler.

Soft music was rendered throughout the Mass by Mr. Ryan's aunts, Mrs. Alcide J. Borgeat at the organ accompanying Miss Louise Armstrong on the violin. Mrs. J. J. Ryan, mother of the groom, sang several

**BIG-CAR QUALITY**

**You'll like that Big-Car styling!**

You'll like the long, low lines of the new Chevrolet. You'll like the look of massiveness and sturdiness. That big, beautiful Unisteel body is by Fisher, you know—the only Body by Fisher in the low-price field!

**You'll like these Big-Car features!**

Chevrolet's packed with features that give you Big-Car comfort and safety. Positive-Action Hydraulic Brakes, for example, with exclusive design features for safer, surer stops. Unitized Knee-Action, for instance, that adds stability and ease of steering, as well as riding comfort.

**THIS—you'll love!**

But your greatest thrill will come when you find out that Chevrolet is the lowest-priced line in its field... and the line that costs less for gas, oil and upkeep. Chevrolet's the one car that gives you Big-Car Quality at Lowest Cost!

**You'll like our service, too!**

What do you think  
is the greatest invention?

Atomic energy—radio—the wheel—airplane—electricity—automobile—steam engine—telephone—printing press—take your pick. What do you think is the greatest invention ever made?

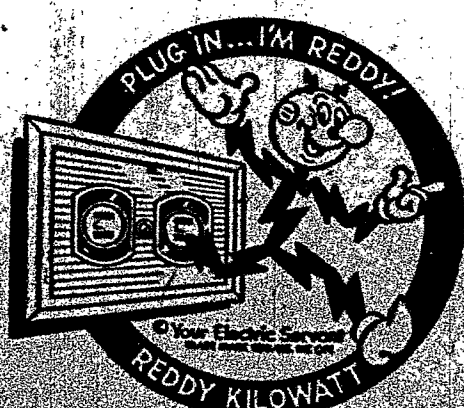

Certainly each is important, and each has contributed generously to our way of life. But the American public, in Dr. Gallup's recent coast-to-coast survey, voted electricity the most important invention of all.

It's hard to imagine our type of civilization without electricity. We depend on it for so many things—in our homes—in

business and industry—in transportation and communication. The hat on your head—the food on your table—the newspaper on your doorstep—your favorite radio show—each depends directly on electricity.

Yet American families spend just about 1¢ out of every budget dollar for their electric service. Because electricity does so much for so little is, perhaps, the main reason why Americans have voted it the most important invention of all time.

## The Knock that lengthened a life

The doctor's midnight knock! How comforting when illness strikes! The physicians of Mississippi are the conservators of life, the guardians of health. They are dedicated to a continuing study, a never-ceasing search for means to make life longer, happier, healthier.

Yes, their mission is to conserve life and health... just as others in Mississippi conserve the things we hold dear... our health, our land, our

knowledge, our priceless heritage.

United Gas recognizes its responsibility in conserving Mississippi's natural resources. Many cities and towns in Mississippi enjoy natural gas service today and others will enjoy it in the near future because United is taking gas that might otherwise remain worthless in the earth and is making it available for USE... for without use, natural gas is valueless.

This is practical conservation, for it gives value to this finest of fuels, stimulates industrial development, creates jobs, and benefits all the families in Mississippi.

#### SCOUT CAMPOREE THIS SATURDAY AND SUNDAY, JULY 19-20

To Be Held On Bay High Athletic Field—3 Troops To Compete

A Scout Camporee will be held this Saturday and Sunday, July 19 and 20 beginning at 5 p. m. Saturday, on the Bay High Athletic field, Uman and Dunbar avenues.

Troops 217 and 208 of Bay St. Louis and Troop 216 of Pass Christian will participate. According to Camp Activities chairman, Alden Mauffrey, there will be competitive games and contests in which the boys will compete, such as knot tying, first aid, boxing the compass and other scout activities.

A complete schedule has been formulated to keep the boys busy during the two-day affair. The scout masters will be in charge of the boys and each troop will pitch their own tents and prepare their own meals.

Mr. Ross Shenk, Field Representative of the New Orleans area Boy Scouts will be on hand to help make the Camporee a success.

The public is invited to visit the camp and especially on Sunday afternoon when the contests will start about 1 p. m.

Mr. Fred Fayard, scoutmaster of Troop 217 and Pete Benvenutti is assistant scoutmaster, the troop is sponsored by Our Lady of the Gulf Church. Tom Karl is scoutmaster of Troop 208 with Cyril Piazza as assistant scoutmaster, this troop is sponsored by the Knights of Columbus, and troop 216 of Pass Christian is under Scoutmaster Jack Kehl with Capt. Wright Eustis as assistant scoutmaster, troop 216 is sponsored by the Pass Christian Rotary Club.

Mr. O. C. Delph, District Chairman says it is expected that each troop will be present with 100% membership and that a real camporee will result. Attend and see what your boys are doing in scout work.

#### Sends Telegram to Interstate Commission Regarding Continuance of Commuters Rates

According to Dan M. Ruesell, Jr., president of the Hancock County Chamber of Commerce, he has been in telephone communication with the officials at Washington with reference to the discontinuance by the Louisville and Nashville Railroad of commuters rates to the Coast, and on Tuesday was advised to send a telegram to the Interstate Commerce Commission requesting that the present request of the railroad be suspended and urge a hearing before the said commission at a convenient time and place where the local objectors could attend.

Thursday afternoon of last week the following telegram was sent to the Interstate Commerce Commission by the Hancock County C. of C.:

W. P. Bartel, sec., Interstate Commerce Com., Washington, D. C., "The Hancock County Chamber of Commerce, and others, earnestly urge the suspension of supplement Number Two effective August first, 1947, to Louisville and Nashville Railroad local passenger tariff of commutation fares I. C. C. Number 8324 and ask for a hearing at a convenient time and place. Such action as undertaken by the L. & N. Railroad would be very detrimental to entire coast area. Further reasons and requests follow by mail (Signed)

Hancock County Chamber of Commerce, A petition from the C. of C. to the Interstate Commerce Commission setting forth in detail the reasons for said hearing has been forwarded to Washington.

#### T. Ed Kellar Withdraws From Board of Supervisors Race

T. Ed Kellar, of Bay St. Louis, who had entered the race for the office of Board of Supervisors, Beat Five Hancock County has withdrawn from the race and issues the following statement to the voters: To The Voters of Beat Five Hancock County:

I take this method of informing you that I am now withdrawing from the race for Board of Supervisors of Beat Five. I thank my many friends for what they have done for me in the past and I wish to assure you that my withdrawal is strictly for personal reasons. While most of you may not be interested in why I am quitting the race I may at a little later date give you full details which brought about my withdrawal.

Thanking you for what you have done for me, had I continued in the race, and I wish to do that now. Yours truly, T. Ed Kellar.

#### Law Enforcement Meeting To Be Held

A Mass Meeting has been called by the Hancock County Law Enforcement Association for Tuesday, July 29th (8 p. m.) at the Hancock County Courthouse. The Association advises that they are not officially endorsing any candidate and that invitations to speak briefly have been sent to those who are running for sheriff, constable, justice of the peace, and county supervisor. Officers and a Steering Committee will be elected for the new year.

#### COAST ELECTRIC POWER ANNUAL MEETING

(Continued from page One)

ment was adopted. With the adoption of the amendment providing for addition of four men to the Board of Directors, the following were: Ernest E. Clark, Fred Ladner, B. F. Morris and F. Randall Rester.

The Board of Directors at their meeting of May 21st, 1947, had adopted the Capital Credits plan for the cooperative, subject to the ratification of the membership, and the plan was explained in full, and questions on its intent and implications were invited. Quite a few questions were answered by Mr. Ferrell and Mr. Shattuck. The Board's action was ratified without a dissenting vote, and the Capital Credits Plan was adopted which is merely a method of operation for the Co-op to make sure that every patron gets full credit for any amount he pays in excess of the cost of serving him. The plan assures service at cost, maintains and reflects accurately the non-profit status of the cooperative, and credits to Co-op patrons all savings and other benefits of non-profit operation. The Coast Association being the first in the State to adopt this plan.

Appropriate resolutions were adopted commending the President C. W. Fountain for his untiring efforts in behalf of the association and expressing regrets at his absence, due to illness, and the wishes of the membership for a speedy recovery.

During the time of registration, and intermission the membership was entertained by Jack Brown and his band, and by the Picayune Melody Boys, composed of Freddy Henley, Julian McCordie, Clyde and Roy Gordon and Miss Doris Sones, their accompanist.

Upon registering each member was given an electric light bulb, and at intervals during the business session, and at its conclusion, 11 prizes were drawn for and awarded to the members who were present. #### Maurice Artigues Named General Manager of Allied Theatre Owners

Maurice J. Artigues, of Bay St. Louis, has been named General Manager of the Allied Theatre Owners of the Gulf States. This organization serves independent theatres located in the New Orleans Exchange Area, and any other theatre outside this area who wish to come in. The present group comprises sixty five theatres.

Mr. Artigues travelled this territory for Paramount Theatres for the past thirteen years, and is thoroughly versed in the motion picture industry. It will be through this newly formed agency that films will be distributed to the Allied Theatres.

Following his graduation from St. Stanislaus, Mr. Artigues married his childhood sweetheart Miss Eran LeBlanc, of Bay St. Louis, and they have lived here the greater part of their married life.

We are happy to see this young man make the advances that he has for we know that he has the interest of Bay St. Louis at heart, as his real estate investments here will readily exemplify. We sincerely hope that his success will continue.

#### Altar Society News

The Altar Society of Our Lady of the Gulf met on Wednesday, and plans for the coming church fair to be held on August 2nd and 3rd, were discussed. It is the hope of the members of the Altar Society that the financial success of the coming fair will exceed that of the one held in June.

Reverend Father Desmond presided over the meeting in the absence of Right Reverend Monsignor A. J. Gmelch.

#### WEDDING OF INTEREST

A wedding claiming interest here and in Waveland was that of Miss Doris Mae O'Neil, daughter of Mrs. John Francis O'Neil of Pass Christian and Ms. Edward William Doerries, son of Mr. and Mrs. Ernest H. Doerries, Sr., of New Orleans which was celebrated at the home of the bride's parents the Rev. Father Hayes performing the ceremony.

The bride given in marriage by her father, wore a gown of cream color, lace and illusion which was fashioned with long sleeves and a scalloped peplum of the lace which fell down the back into a long train. Her veil of illusion was held to her hair by butterfly gardenias and she carried a cascade bouquet of similar flowers and orchids.

Maid and matron of honor were Miss Lorraine Freeman and Mrs. Stanislaus, Mr. Artigues married his childhood sweetheart Miss Eran LeBlanc, of Bay St. Louis, and they have lived here the greater part of their married life.

We are happy to see this young man make the advances that he has for we know that he has the interest of Bay St. Louis at heart, as his real estate investments here will readily exemplify. We sincerely hope that his success will continue.

A reception followed the ceremony.

monny.
